Earning Per Share (in ₹)		
i) Basic	3.12	3.61
ii) Diluted	3.12	3.61

OVERALL PERFORMANCE AND THE STATEMENTS OF AFFAIRS OF THE COMPANY:

The Company recorded revenue from operations of ₹ 3179.10 million during the financial year 2023-24 as compared to ₹ 3152.20 million in the previous financial year. The Net profit during the financial year 2023-24 was at ₹ 1746.40 million as compared to net profit of ₹ 2021.90 million in the previous financial year. The generation during the year stood at 588.19 Million kWh in the financial year 2023-24 as compared to 637.13 Million kWh in the previous financial year. The major decrease in profit was due to negative impact on account of loss of generation due to flooding conditions occurred in July 2023.

Further in the first quarter of current Financial Year 2024-25, the Plant has generated 225.44 MU at Generator Terminal. The Operation and Maintenance of the Plant has been entrusted to the company in-house. Your Company had sold the scheduled power at IEX in the day ahead, real time & term ahead market(s) and through short term bilateral transactions.

INDUSTRY POTENTIAL & DEVELOPMENT:

India is the third largest producer and consumer of electricity worldwide, with all India installed power generation capacity of 441.97 GW as of 31.03.2024, which comprises of 243.22 GW of Thermal, 46.93 GW of Hydro, 8.18 GW of Nuclear and 143.64 GW of Renewable capacity.

During Financial Year 2023-24, energy demand in the country rose to ~1626 BU (with ~8% Y-o-Y growth), whereas peak demand rose to ~243 GW (with ~13% Y-o-Y growth). The average annual market clearing price at the Indian Energy Exchange (IEX) in N1 region was ₹ 5.22/kWh in 2023-24, almost 12% lower compared to 2022-23. It was due to better planning and co-ordination among Ministry of Power, Ministry of Coal and system operators, that despite increase in peak power demand across the country, average annual power prices discovered at IEX remained moderate except for the period during Aug-Oct'23 when the prices were higher by ~38% as compared with the corresponding period of previous year i.e. Aug-Oct'22. Total short term power transactions were ~13.59% of yearly generation (excluding generation from captive power plants).

The following "Table" indicates the energy requirement/ supply along with IEX (N1) rates during last 5 years:

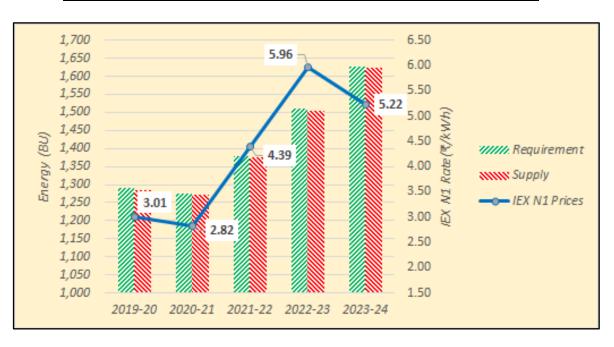

Table 1: Energy Requirement/ Supply & IEX (N1) rates during last 5 years.

It is also observed that peak power demand recorded during 2023-24 has surpassed the estimates of CEA (20th Electric Power Survey) with a significant margin. Indian Meteorological Department (IMD) has forecasted above normal temperatures during summer season of 2024-25 which has resulted in peak power demand to reach the highest ever figure of 250 GW during May'24 itself. Growing industrialization in semi urban and rural areas accompanied with increase in per capita income has propelled the electricity demand across the country. It is widely expected that the total electricity requirement as well as peak power demand in India is bound to increase in forthcoming years that will create numerous opportunities for the merchant power plants that specialize in catering peak power demand.

In the Financial Year 2023-24, India's power sector experienced robust demand growth fueled by economic expansion, urbanization and industrial activities. Renewable energy capacity saw substantial additions, particularly in solar driven by government initiatives, policies and investment incentives. These efforts helped India make significant strides towards its renewable energy targets, aligning with global commitments to reduce carbon emissions. Technological advancements, particularly in energy storage, will facilitate better integration of renewables into the grid, and this is expected to further the growth of complex bids like Firm Dispatchable Renewable Energy as compared to plain vanilla solar and wind.

As per the recent World Bank's projections, India will continue to be the fastest-growing among the world's largest economies with a GDP of 6.6%. The company expects that with strong domestic demand and surge in infrastructural activities, India will remain at forefront in terms of new investments, policy reforms and economic growth. Power sector being the growth engine of any economy, it has to be more robust and resilient to provide a steady platform to sustainably drive a GDP growth of 6.6%. Looking at

such GDP growth rate, Indian power sector is poised for a remarkable transformation as it experiences substantial shifts in demand growth, energy mix and market dynamics. Private investments in power sector are more important than ever when power market is witnessing innovative products and technological upgradation that promises a sustainable and resilient energy future for the nation.

2. DIVIDEND

During the financial year 2023-24, your directors do not propose any dividend on the equity shares.

3. TRANSFER TO RESERVES

During the financial year 2023-24, the Company has not transferred any amount to the Reserve.

4. SUBSIDIARY, ASSOCIATE COMPANIES OR JOINT VENTURES

There is no subsidiary or associate or joint venture of the Company.

5. CORPORATE GOVERNANCE

Your Company is committed to maintain the highest standards of corporate governance and adhere to the corporate governance requirements set out by under the Companies Act, 2013.

Your Company is committed to achieving the higher standard of Corporate Governance by application of the best management practices, compliance with law, adherence to ethical standards and discharge of social responsibilities. Your Company has in all spheres of its activities adequate checks and balances to ensure protection of interest of all stakeholders. Your Company also endeavors to share, with its stakeholders' openly and transparently, information on matters which have a bearing on their economic and reputational interest.

The majority of the Board comprises of Non-Executive Directors including Independent Directors appointed under the Companies Act, 2013, who play a critical role in imparting balance to the Board processes, by bringing an independent judgment to decide on issues of strategy, performance, resources, standards of Company's conduct, etc. The Audit Committee of the Board provides assurance to the Board on the adequacy of Internal Control Systems and Financial Systems.

6. INTERNAL FINANCIAL CONTROL SYSTEMS AND ITS ADEQUACY

The Company has an adequate Internal Financial Control (IFC) system commensurate with the size and nature of its business. An internal audit program covers various activities and periodical reports are submitted to the management. The Audit Committee reviews financial statements, internal audit reports along with internal control systems. The Company has a well-defined organizational structure, authority levels, delegation of powers and internal rules and guidelines for conducting business transactions.

adhøl Ad Hydro Power Limited

AD HYDRO POWER LIMITED

Your Company has adopted the IFC framework as guidance, for ensuring adequate controls and its effectiveness within the company. The process of assessment of IFC would require setting up of an internal controls function in the organization. The Accounts & Finance Team has been trained to implement and evaluate the design and operating effectiveness of the IFC framework. The framework also focuses on internal controls over financial reporting (ICFR) that are put in place to develop and maintain reliable financial data, and to accurately present the same in a timely and appropriate manner. The framework refers to the policies and procedures adopted by the company for ensuring, orderly and efficient conduct of its business, including adherence to company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, timely preparation of reliable financial information.

The IT controls provide reasonable assurance of achieving the control objectives related to the processing of financial information within the computer processing environment. IT controls ensures appropriate functioning of IT applications and systems built by the organization to enable accurate and timely processing of financial data.

3	Dr. Kamal Gupta	Member	Non-Executive Independent Director

Meetings and attendance

The CSR Committee had met four times during the financial year 2023-24 i.e. on 9th May 2023, 2nd August 2023, 31st October 2023 and 31st January 2024 respectively.

The attendance for the above mentioned meetings are as below:

S.	Name of Member	Designation	No. of meetings	No. of meetings
No.			Held	attended
1.	Mr. Ravi Jhunjhunwala	Chairman	4	4
2.	Ms. Tima lyer Utne	Member	4	4
3.	Dr. Kamal Gupta	Member	4	4

(iv) INDEPENDENT DIRECTORS' MEETING

During the financial year 2023-24, the Independent Directors met on 6th March 2024, without the attendance of Non Independent Directors and members of the Management. The Independent Directors reviewed the performance of Non-Independent Directors and the Board as a whole; the performance of the Chairman of the Company, taking into account the views of Director and Non–Executive Directors and assessed the quality, quantity and timeliness of flow of information between the Company Management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

15. BOARD EVALUATION:

The Board is responsible for undertaking a formal annual evaluation of its own performance, committees and individual Directors with a view to review their functioning and effectiveness and to determine whether to extend or continue the term of appointment of the independent directors. During the year, the Board carried out the performance evaluation of itself, Committees and each of the executive directors/non-executive directors/independent directors excluding the director being evaluated. The evaluation of performance of Independent Director is based on the criteria laid down in the Nomination and Remuneration policy which includes knowledge and experience in the field of power sector, legal, finance and CSR activities. Your Directors express their satisfaction with the evaluation process and inform that the performance of the Board as a whole, its committee and its member individually was adjudged satisfactorily.

16. MEETING OF THE MEMBERS

The Annual General Meeting (AGM) of the members was held on 20th September 2023.

17. VIGIL MECHANISM / WHISTLE BLOWER

The Board on the recommendation of Audit Committee has adopted a Whistle Blower Policy, which is available on the website of the company at the link https://www.adhydropower.com

18. CONTRACTS AND ARRANGEMENTS WITH RELATED PARTIES

All the related party transactions entered into during the financial year were on an arm's length basis and were in the ordinary course of business. Your Company had not entered into any transactions with related parties which could be considered material in terms of Section 188 of the Companies Act, 2013. Accordingly, the disclosure of related party transactions as required under Section 134(3)(h) of the Companies Act, 2013 in Form AOC 2 is not applicable.

19. STATUTORY AUDITORS

The members had re-appointed M/s Deloitte Haskins & Sells LLP, (Firm Registration Number is 117366W /W-100018), Chartered Accountants, as the Statutory Auditors of the Company on 28th September 2022 for another term of 5 years, to hold office from the conclusion of the 19th Annual General Meeting until the conclusion of the 24th Annual General Meeting of the Company. Further the statutory auditors have further confirmed that the said re-appointment, when made, was within the prescribed limits under Section 141(3)(g) of the Companies Act, 2013 and also the statutory auditor is not disqualified under section 141(3) of the Companies Act 2013.

The Auditors' Report read along with notes to accounts is self-explanatory and therefore does not call for any further comments. The Statutory Auditors expressed an unmodified opinion in the audit reports with respect to audited financial statements for the financial year ended March 31, 2024. The Auditors' Report does not contain any qualification, reservation, adverse remark or disclaimer which requires any explanation from the Board of Directors.

20. COST AUDITORS

As per the requirement of Section 148 of the Companies Act, 2013 read with the Companies (Cost Records and Audit) Rules, 2014, the Cost Records are being maintained by your Company. Accordingly, M/s K. G. Goyal & Co., Cost Accountants (Firm Registration No. 0017), was re-appointed as Cost Auditors of the Company for the Financial Year 2023-24 at a remuneration of ₹ 0.50 lakhs plus applicable taxes and out of pocket expenses that may be incurred by them during the course of audit. The Cost Audit Report for FY 2023-24 does not contain any qualification, reservation, adverse remark or disclaimer.

21. SECRETARIAL AUDITORS

The Company had appointed M/s P. Kathuria & Associates, Company Secretaries, to undertake the Secretarial Audit of the Company for the financial year 2023-24, pursuant to Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014. The Secretarial Audit Report is annexed herewith as **Annexure IV** for kind attention of the Members. The Secretarial Audit Report for FY 2023-24 does not contain any qualification, reservation adverse remark or disclaimer.

22. INTERNAL AUDITORS

The Company had appointed M/s. Ashim & Associates, Chartered Accountants as the Internal Auditors of the Company for a period of three years i.e. FY 2023-24, FY 2024-25 and FY 2025-26.

23. REPORTING OF FRAUD BY THE AUDITORS'

During the year under review, the Statutory Auditor, Secretarial Auditor, Cost Auditor and Internal Auditor of the Company have not reported any matter under section 143(12) of the Companies Act, 2013. Therefore, no detail regarding reporting of fraud is required to be disclosed under section 134(3)(ca) of the Companies Act, 2013.

24. RISK MANAGEMENT

The objective of risk management at the Company is to protect shareholder value by minimizing threats or losses and identifying and maximizing opportunities. An enterprise wide risk management framework is applied so that effective management of risk is an integral part of every employee's job.

The Audit Committee of the Company oversees the Risk functions. Further, the Company has in place Operations Steering Committee (OSC) and a Policy thereto, which inter-alia includes the Risk Management Policy including mitigation plans. The Company's risk management strategy is integrated with the overall business strategies of the organization and is communicated throughout the organization. Risk management capabilities aide in establishing competitive advantage and allow management to develop reasonable assurance regarding the achievement of the Company's objectives.

The annual strategic planning done by OSC provides platform for identification, analysis, treatment and documentation of key risks. It is through this annual planning process that key risks and risk management strategies are communicated to the Board. The effectiveness of risk management strategies is monitored both formally and informally by Management. There is no major risk which may threaten the existence of the Company.

25. DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to Section 134(5) of Companies Act, 2013, the Board of Directors state that:

adhet AD HYDRO POWER LIMITED

AD HYDRO POWER LIMITED

- a) in the preparation of the annual accounts for the year ended March 31, 2024, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;
- b) the Directors have selected such accounting policies and applied them consistently except as disclosed in the notes of accounts and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2024 and of the profit of the Company for the year ended on that date;
- the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- d) the Directors have prepared the annual accounts on a going concern basis;
- e) the Directors have laid down proper internal financial controls to be followed by the company and that such internal financial controls were adequate and operating effectively; and
- f) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

26. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

Details of Loans, Guarantees and Investments covered under the provisions of Section 186 of the Companies Act, 2013 are given in the notes to the Financial Statements.

27. EXTRACT OF ANNUAL RETURN

ANNEXURE III TO THE DIRECTORS' REPORT

NOMINATION & REMUNERATION POLICY

Pursuant to Section 178 of the Companies Act, 2013 and Rules made thereunder, AD Hydro Power Limited is required to constitute a Nomination and Remuneration Committee with at least three or more non-executive Directors, out of which not less than one half shall be independent directors. The Company already had a Remuneration Committee with three Non-Executive Directors. In order to align the same with the provisions of the Companies Act, 2013, and Rules made thereunder from time to time, the Board of Directors at their meeting held on the 16th March, 2015, renamed the "Remuneration Committee" as "Nomination and Remuneration Committee".

The Nomination and Remuneration Committee and its Policy being in compliance with the provisions of Section 178 of the Companies Act, 2013, read with the applicable Rules made thereunder, applies to the Board of Directors, Key Managerial Personnel and the Senior management Personnel of the Company.

1. OBJECTIVE

The Key Objectives of the Committee would be:

- a) to advise the Board in relation to appointment, appraisal and removal of Directors, Key Managerial Personnel and Senior Management of the Company.
- b) to evaluate the performance of the members of the Board and provide necessary report to the Board for further evaluation of the Board.
- c) to recommend to the Board on Remuneration payable to the Directors, Key Managerial Personnel and Senior Management.

2. DEFINITIONS

- (a) "Act" means the Companies Act, 2013 and Rules framed thereunder, as amended from time to time.
- (b) "Board" means Board of Directors of the Company.
- (c) Key Managerial Personnel (KMP), means:
- i. Chief Executive Officer or the managing director or the manager;
- ii. Company Secretary,
- iii. Whole-time Director;
- iv. Chief Financial Officer; and
- v. such other officer as may be prescribed.
- (d) Senior Management: Senior Management means personnel of the company who are members of its core management team excluding the Board of Directors. This would also include all members of management one level below the executive directors including all functional heads.

3. ROLE OF COMMITTEE

The role of the Committee inter alia will be the following:

adhøl AD HYDRO POWER LIMITED

AD HYDRO POWER LIMITED

- a) reviewing the structure, size and composition (including the skills, knowledge and experience) of the Board at least annually and making recommendations on any proposed changes to the Board to complement the Company's corporate strategy, with the objective to diversify the Board;
- b) to recommend to the Board the appointment and removal of Director or Key Managerial Personnel or Senior Management Personnel.
- c) to carry out evaluation of Director's performance.
- d) assessing the independence of independent directors;
- e) to make recommendations to the Board concerning any matters relating to the continuation in office of any Director at any time including the suspension or termination of service of an Executive Director as an employee of the Company subject to the provision of the law and their service contract;
- f) making recommendations to the Board on the remuneration/fee payable to the Directors/ KMPs/Senior Officials so appointed/re-appointed;
- g) ensure that level and composition of remuneration of Directors, KMP's and Senior Management is reasonable and sufficient. The relationship of remuneration to performance is clear and meets appropriate performance benchmarks;
- h) to devise a policy on Board diversity;
- i) to develop a succession plan for the Board and Senior Management and to regularly review the plan;
- j) such other key issues/matters as may be referred by the Board or as may be necessary in view of the provision of the Companies Act, 2013 and Rules made thereunder.

4. MEMBERSHIP

- a) The Committee shall consist of a minimum 3 non-executive directors, majority of them being independent.
 - However, the Chairperson of the Company (whether executive or non-executive) may be appointed as a member of the Nomination and Remuneration Committee, but shall not chair such Committee.
- b) Minimum two (2) members shall constitute a quorum for the Committee meeting.
- c) Membership of the Committee shall be disclosed in the Annual Report.
- d) Term of the Committee shall be continued unless terminated by the Board of Directors.

5. CHAIRMAN

- a) Chairman of the Committee shall be a Non-executive Director.
- b) Chairperson of the Company may be appointed as a member of the Committee but shall not be a Chairman of the Committee.
- c) In the absence of the Chairman, the members of the Committee present at the meeting shall choose one amongst them to act as Chairman.
- d) Chairman of the Nomination and Remuneration Committee meeting could be present at the Annual General Meeting or may nominate some other member to answer the shareholders' queries.

6. FREQUENCY OF MEETINGS

The meeting of the Committee shall be held at such regular intervals as may be required.

7. COMMITTEE MEMBERS' INTERESTS

- a) A member of the Committee is not entitled to be present when his or her own remuneration is discussed at a meeting or when his or her performance is being evaluated.
- b) The Committee may invite such executives, as it considers appropriate, to be present at the meetings of the Committee.

8. SECRETARY

The Company Secretary of the Company shall act as Secretary of the Committee.

9. VOTING

- a) Matters arising for determination at Committee meetings shall be decided by a majority of votes of Members present and voting and any such decision shall for all purposes be deemed a decision of the Committee.
- b) In the case of equality of votes, the Chairman of the meeting will have a casting vote.

10. POLICY ON BOARD DIVERSITY

The Nomination and Remuneration Committee shall ensure that Board of Directors have the combination of Directors from different areas /fields or as may be considered appropriate in the best interest of the Company. The Board shall have atleast one Board member who has accounting/financial management expertise.

11. NOMINATION DUTIES

The duties of the Committee in relation to nomination matters include:

- 1. Ensuring that there is an appropriate induction & training Program in place for new Directors and members of Senior Management and reviewing its effectiveness;
- 2. Ensuring that on appointment to the Board, Non-Executive Directors receive a formal letter of appointment in accordance with the Guidelines provided under the Companies Act, 2013;
- 3. Determining the appropriate size, diversity and composition of the Board;
- 4. Follow a formal and transparent procedure for selecting new Directors for appointment to the Board, Key Managerial Personnel's and Senior Management Personnel;
- 5. Developing a succession plan for the Board and Senior Management and regularly reviewing the plan;
- 6. Evaluating the performance of the Board members and Senior Management in the context of the Company's performance from business and compliance perspective;
- 7. Making recommendations to the Board concerning any matters relating to the continuation in office of any Director at any time including the suspension or termination of service of an Executive Director as an employee of the Company subject to the provision of the law and their service contract.
- 8. Delegating any of its powers to one or more of its members or the Secretary of the Committee;
- 9. Considering any other matters as may be requested by the Board;

12. REMUNERATION DUTIES

The Committee will recommend the remuneration/fee to be paid to the Managing Director, Whole-time Director, other Directors, Key Managerial Personnel and Senior Management Personnel to the Board for their approval.

The level and composition of remuneration/fee so determined by the Committee shall be reasonable and sufficient to attract, retain and motivate directors, Key Managerial Personnel and Senior Management of the quality required to run the Company successfully. The relationship of remuneration/fee to performance should be clear and meet appropriate performance benchmarks. The remuneration should also involve a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

1. Director/ Managing Director

Besides the above Criteria, the Remuneration/ compensation/ commission/fee to be paid to Director/ Managing Director/ Whole Time Director shall be governed as per provisions of the Companies Act, 2013 and rules made thereunder or any other enactment for the time being in force.

adhel AD HYDRO POWER LIMITED

AD HYDRO POWER LIMITED

2. Non-executive Independent Directors

The Non-Executive Independent Director may receive remuneration by way of sitting fees for attending meetings of Board or Committee thereof. Provided that the amount of such fees shall be subject to ceiling/ limits as provided under Companies Act, 2013 and rules made thereunder or any other enactment for the time being in force.

3. Key Managerial Personnel's /Senior Management Personnel etc

The Remuneration to be paid to Key Managerial Personnel's/ Senior Management Personnel shall be based on the experience, qualification, performance and expertise of the related personnel and governed by the limits, if any prescribed under the Companies Act, 2013 and Rules made thereunder or any other enactment for the time being in force.

4. Directors' and Officers' Insurance

Where any insurance is taken by the Company on behalf of its Directors, Key Managerial Personnel's/ Senior Management Personnel etc. for indemnifying them against any liability, the premium paid on such insurance shall not be treated as part of the remuneration payable to any such personnel.

13. EVALUATION/ ASSESSMENT OF DIRECTORS OF THE COMPANY

The evaluation/assessment of the Directors of the Company is to be conducted on an annual basis.

The following criteria may assist in determining how effective the performances of the Directors have been:

- Contributing to clearly defined corporate objectives & plans
- Obtain adequate, relevant & timely information from external sources
- Review of strategic and operational plans, objectives and budgets
- Regular monitoring of corporate results against projections
- Identify, monitor & take steps for mitigation of significant corporate risks
- Assess policies, structures & procedures
- Review management's succession plan
- Effective meetings
- Assuring appropriate board size, composition, independence, structure
- Clearly defining roles & monitoring activities of committees
 Additionally, for the evaluation/assessment of the performances of Managing Director(s)/Whole
 Time Director(s) of the Company, following criteria may also be considered:
- Leadership abilities
- Communication of expectations & concerns clearly with subordinates
- Direct, monitor & evaluate KMPs, senior officials

Evaluation on the aforesaid parameters will be conducted by the Independent Directors for each of the Executive/Non-Independent Directors in a separate meeting of the Independent Directors.

The Executive Director/Non-Independent Directors along with the Independent Directors will evaluate/assess each of the Independent Directors on the aforesaid parameters. Only the Independent Director being evaluated will not participate in the said evaluation discussion.

14. DISCLOSURE

The Remuneration policy and the evaluation criteria shall be disclosed in the Board's Report.

15. MINUTES OF COMMITTEE MEETING

Proceedings of all meetings must be minuted and signed by the Chairman of the Committee at the subsequent meeting. Minutes of the Committee meetings will be tabled at the subsequent Board and Committee meeting.

16. DEVIATIONS FROM THIS POLICY

Deviations on elements of this policy in extraordinary circumstances, when deemed necessary in the interests of the Company, will be made if there are specific reasons to do so in an individual case. However, this shall be subject to the approval of Board of Directors on the recommendation of Nomination and Remuneration Committee of the Company.

ANNEXURE IV TO THE DIRECTORS' REPORT

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH, 2024

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
AD Hydro Power Limited (CIN: U40101HP2003PLC026108)
Village Prinip O Jagat Sukh Teh Manali Distt Kullu Himachal Pradesh

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **AD Hydro Power Limited** (hereinafter called "the Company"). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2024 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year that ended on March 31, 2024, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder; (Not applicable to the Company during the period under review)
- (iii) Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018 and circulars/ guidelines issued thereunder;
- (iv) Foreign Exchange Management Act, 1999, and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment, and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):(All the following Regulations including

adhøl AD HYDRO POWER LIMITED

AD HYDRO POWER LIMITED

amendments, statutory modification or re-enactment thereto if any, from time to time are not applicable to the Company during the period under review)

- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
- (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021;
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- (vi) Other law applicable specifically to the Company, as identified and on the basis of representation given by the management:
 - The Indian Electricity Act, 2003 and the Rules/ Regulations made thereunder; and
 - The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal Act, 2013).

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India. (Notified and effective from 1st July 2015 and amended from time to time).
- (ii) The SEBI (Listing Obligations and Disclosure Requirement) Regulation, 2015. (Not Applicable to the Company during the period under review)

adhel AD HYDRO POWER LIMITED

AD HYDRO POWER LIMITED

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors during the period under review were carried out in compliance with the provisions of this Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on the agenda were sent in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings were carried with the majority of Directors as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be. There was no dissenting vote for any matter.

I further report that I have relied on the representation made by the Company and its officers for the system and mechanism formed by the Company for compliance under other applicable Acts, Laws, and Regulations to the Company. Therefore, I believe that the management has adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations, and guidelines.

I further report, that during the audit period, there were no other specific events/actions in pursuance of the above-referred laws, rules, regulations, guidelines, standards, etc. having a major bearing on the Company's affairs.

This report is to be read with my letter of even date which is annexed as "Annexure I" and forms an integral part of this report.

To The Members of AD Hydro Power Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of AD Hydro Power Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss (including Other Comprehensive Loss), the Statement of Cash Flows and the Statement of Changes in Equity for the year ended on that date, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information
 comprises the information included in the Board's report, but does not include financial statements
 and our auditor's report thereon. The Board's report is expected to be made available to us after
 the date of this auditor's report.
- Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Regd. Office: One International Center, Tower 3, 32nd floor, Senapati Bapat Marg, Elphinstone Road (West), Mumbai-400 013, Maharashtra, India. Deloitte Haskins & Sells LLP is registered with Limited Liability having LLP identification No: AAB-8737

• When we read the Board's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive loss, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
 detecting a material misstatement resulting from fraud is higher than for one resulting from error,
 as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
 of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are
 also responsible for expressing our opinion on whether the Company has adequate internal financial
 controls with reference to financial statements in place and the operating effectiveness of such
 controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, based on our audit, we report, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Loss, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements (Refer Note 29.1 to the financial statements.)
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses. (Refer note no 29.2 (a) to the financial statements.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company. (Refer note no. 38 to the financial statements)
 - iv. (a) The Management has represented that, to the best of its knowledge and belief as disclosed in the note 34 (vi) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the note 34 (vii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.

vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility at the application level and the same has operated throughout the year for all relevant transactions recorded in the software.

In the absence of sufficient appropriate evidence in respect of audit trail feature at the database level, we are unable to comment whether audit trail feature of the said software at database level was enabled and operated throughout the year to log direct data changes in the software.

Further, where audit trail (edit log) facility was enabled and operated throughout the year for the said accounting software, we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the year ended March 31, 2024.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT
(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of AD Hydro Power Limited ("the Company") as at March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and capital work-in-progress.
 - (B) The Company does not hold any intangible asset.
 - (b) The property, plant and equipment and capital work-in-progress were physically verified during the year by the management which, in our opinion, provides for physical verification at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) With respect to immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in property, plant and equipment and capital work-in-progress, according to the information and explanations given to us and based on the examination of the award letter and certificate of mutation provided to us, we report that, the title deeds of such immovable properties are held in the name of the Company as at the balance sheet date, except for the following:

Description of property	As at the Balance sheet date (Amount in Rs. crores)	Held in the name of	Whether promoter, director or their relative or employee		Reason for not being held in name of Company
Freehold land located at Village Prini, District Kullu, Himachal Pradesh measuring 2.21 hectares	5.66	Various villagers	No	was purchased between	an Agreement to sell

Description of property	As at the Balance sheet date (Amount in Rs. crores)	Held in the name of	Whether promoter, director or their relative or employee	Period held	Reason for not being held in name of Company
					The process for obtaining permission from the State Govt. under section 118 of HP Tenancy & Land Reforms Act has been initiated. DC, Kullu and SDM, Manali has recommended the case for permission to the State Government and permission under said Act is awaited.
Freehold land located at Village Prini, District Kullu, Himachal Pradesh measuring 0.5142 hectares	1.39	Concerned Landowners	No	During Construction Period	Land was used during construction period by giving one time compensation on lease basis for Tail Race Tunnel ("TRT") works. The TRT work was underground, hence the rights and ownership remain with concern owners and no mutation will take place.

- (d) The Company has not revalued any of its property, plant and equipment during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The inventories were physically verified (except for inventories lying with third parties) during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. For inventories held with the third parties at the year-end, written confirmation has been obtained. No material discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.
 - (b) The Company has not been sanctioned any working capital facility from banks or financial institutions at any point of time of the year and hence reporting under clause (ii)(b) of the Order is not applicable.

(iii) (a) The Company has granted unsecured loans to employees but has not made any investments in, provided any guarantee or security and granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year-

Particulars Loans

A. Aggregate amount provided during the year

-Others (employees) 0.71

B. Balance outstanding as at balance sheet date in respect of above cases

-Others (employees) 0.29

- (b) The terms and conditions of the grant of all the above-mentioned loans, during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.
- (c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are regular as per stipulation.
- (d) According to information and explanations given to us and based on the audit procedures performed, in respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (e) None of the loan granted by the Company have fallen due during the year.
- (f) According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause (iii)(f) is not applicable.
- (iv) According to information and explanation given to us, the Company has not granted any loans, made investments or provided guarantees or securities that are covered under the provisions of sections 185 or 186 of the Companies Act, 2013, and hence reporting under clause (iv) of the Order is not applicable.
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the books of account maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained by the Company. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) Undisputed statutory dues including Income Tax, Goods and Services tax, Provident Fund, Employees' State Insurance, cess and other material statutory dues applicable to the Company have been regularly deposited by it with the appropriate authorities. We

have been informed that the provisions of the Sales Tax, Services Tax, duty of Custom, duty of Excise, Value Added Tax are not applicable to the Company.

There were no undisputed amounts payable in respect of Goods and Services tax, Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Services Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.

- (b) There are no statutory dues referred in sub-clause (a) above which have not been deposited on account of disputes as on March 31, 2024.
- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- (ix) (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause (ix)(a) of the Order is not applicable to the Company.
 - (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - (c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
 - (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
 - (e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause (ix)(e) of the Order is not applicable
 - (f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.
 - (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
 - (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
 - (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.

- (xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
 - (b) We have considered the internal audit reports issued to the Company during the year and covering the period up to March 31, 2024 for the period under audit.
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with any of its directors or directors of its holding company or persons connected with such directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
 - The Group does not have any Core investment Company (CIC) as part of the group and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) (a) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR), in respect of other than ongoing projects, and there are no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause (xx)(a) of the Order is not applicable for the year.

(b) In respect of ongoing projects, the Company has transferred unspent Corporate Social Responsibility (CSR) amount, to a Special account before the date of this report and within a period of 30 days from the end of the financial year in compliance with the provision of section 135(6) of the Act.

I Corporate information

AD Hydro Power Limited (hereinafter referred to as 'the Company') is engaged in the generation of hydroelectric power. The Company has set up 192 MW hydroelectric power generation project, out of which, part of the project (Allain side) has started commercial production in 2010-11 and balance portion of the project on Duhangan side has started commercial production in 2011-12. The registered office address of the Company is at Prini, Tehsil Manali Distt. Kullu-175143 (H.P) India.

The Company has the necessary permission from the Government of Himachal Pradesh to own, operate & maintain the project and sell power for a period of forty years from the date of commercial operation i.e. July 29, 2010 with the option to avail a further extension for a maximum period of twenty years after renegotiation of terms and conditions.

The Company is a company limited by shares incorporated in India. It's parent Company is Malana Power Company Limited.

2 Material accounting policies

2.1 Basis of preparation of financial statements

a. The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the section 133 of the Companies Act 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter. The financial statements have been prepared on the historical cost basis, except where different basis is mentioned in accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange of goods and services.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

- b. Functional currency: These financial statements are presented in Indian rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.
- c. Operating Cycle: All assets and liabilities have been classified as current or non-current according to the Company's operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current non-current classification of assets and liabilities.

2.2 Summary of material accounting policies

Use of estimates

The preparation of financial statements in conformity with Indian Accounting Standards (Ind AS) requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of revision and future period if the revision affects boths current and future periods.

Deferred tax assets

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period and recognized to the extent that it is probable that sufficient taxable profits will be available to utilize the deferred tax asset.

Revenue Recognition

The Company recognise revenue at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

The Company's sales revenue is divided into following categories:

Revenue from generation and supply of Power ("Revenue from Power Supply"):

Revenue from sale of power is recognised when persuasive evidence of an arrangement exists, the fee is fixed or determinable, energy is supplied (i.e. performance obligation is satisfied) and collectability is reasonably assured. The revenues from generation and supply of power is recognised at the amount of which the entity has a right to invoice which coincides with the electricity scheduled to be transmitted to the customers. The difference between scheduled and actual transmitted energy is recognized as Unscheduled Interchange (U/I) charges and are adjusted with the revenue recognized on accrual basis.

In an arrangements where the Company sells power on an exchange, the exchange is determined to be the customer. This is based on the fact that the Company has enforceable contracts with the exchanges.

Revenue from sharing of Transmission line ("Transmission Income"):

Revenue is recognized on the basis of periodic billing to consumers / state transmission utility and is measured based on the consideration to which the Company expects to be entitled from a customer and cash discounts excluding taxes or duties collected on behalf of the government.

Voluntary emission rights (VER), Carbon Credit Entitlement / Certified Emission Reductions ("CER')

The Company recognize carbon emission reduction "CER" income in the period when it is reasonably certain that the Company will be able to comply with the conditions necessary to obtain these carbon emission reduction. The Company recognise CER value at average price of open contract for sale of CER with customers.

Other Income

Interest

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable. Interest Income is included under the head 'Other Income' in the Statement of Profit and Loss.

Inventory Valuation

Inventories comprising of components and stores and spares are valued at cost. Scrap is valued at net realizable value.

Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Property, Plant and Equipment

Property, plant and equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates. It includes other costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

When significant parts of plant and equipment are required to be replaced at intervals, the company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in Statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the costs of the item can be measured reliably. Repairs and maintenance costs are charged to the Statement of profit and loss when incurred. An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively.

Depreciation:

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

The Company has used the following useful life to provide depreciation on its Property, Plant and Equipment.

Assets	Useful life (Years)
Buildings, Bridges and Roads	10-60
Plant and Equipment	15-40
Furniture and Fixtures	10
Vehicles	8
Office Equipment	5
Transmission Line	40
Hydraulic Work	40
Computers and Networks	3-6
Electric Installations	10

AD Hydro Power Limited (CIN: U40101HP2003PLC026108) Notes to Financial Statements for the year ended March 31, 2024

Leases

The Company assesses that the contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (1) The contract involves the use of an identified asset,
- (2) The Company has substantially all of the economic benefits from use of the identified asset, and
- (3) The Company has the right to direct the use of the identified asset,

Company as a lessee

The Company recognizes right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use asset is depreciated from the commencement date over the shorter of the lease term and useful life of the underlying asset, Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments over the lease term. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company adopts the incremental borrowing rate for the entire portfolio of leases as a whole. The lease payments shall include fixed payments, variable lease payments, exercise price of a purchase option and payments of penalties for terminating the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments.

The Company recognises the amount of the re-measurement of lease liability as an adjustment to the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognizes any remaining amount of the re-measurement in statement of profit and loss.

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be of low value. The lease payments on short-term leases and leases of low-value assets are recognized as an expense on a straight-line basis over the lease term.

Company as a lessor

Leases where the Company does not transfer substantially all the risks and rewards incidental to ownership of the asset are classified as operating leases. Lease rentals under operating leases are recognized as income on a straight-line basis over the lease term.

Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations cover the useful life of the project.

Impairment losses are recognised in the Statement of profit and loss.

For impairment of assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount.

Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments

Notes to Financial Statements for the year ended March 31, 2024

Subsequent measurement

Financial assets and financial liabilities are initially measured at fair value, Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities measured at fair value through profit or loss are recognised immediately in the statement of profit and loss.

Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets

Classification of financial assets

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- · those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. Investments in debt mutual funds are measured at fair value through profit or loss as per the business model and contractual cash flow test.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest rate method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition, the Company makes an irrevocable election on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments, other than equity investment which are held for trading. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Equity Instruments through Other Comprehensive Income' The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading. Other financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income.

Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

De-recognition of financial assets

The Company derecognises financial assets in accordance with the principles of Ind AS 109 which usually coincides receipt of payment or write off of the financial asset.

Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

AD Hydro Power Limited (CIN: U40101HP2003PLC026108)
Notes to Financial Statements for the year ended March 31, 2024

Financial liabilities

Financial liabilities are subsequently measured at amortised cost using the effective interest method or FVTPL. Gains and losses are recognised in statement of profit and loss when the liabilities are derecognised as well as through the Effective Interest Rate (EIR) amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss. Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if these are incurred for the purpose of repurchasing in the near term. Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Reclassification of financial assets and liabilities

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Retirement and other employee benefits

1 Defined Contribution Plan:

Retirement benefits in the form of provident fund and superannuation scheme are a defined contribution scheme and the contributions are charged to the statement of profit and loss of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the provident fund/trust.

2 Defined Benefit Plan:

The Employee's Gratuity Fund Scheme, which is defined benefit plan, is managed by Trust maintained with ICICI Prudential Life Insurance company Limited and Bajaj Allianz. The liabilities with respect to Gratuity Plan are determined by actuarial valuation on projected unit credit method on the balance sheet date, based upon which the Company contributes to the Company Gratuity Scheme. The difference, if any, between the actuarial valuation of the gratuity of employees at the year end and the balance of funds with ICICI Prudential Life Insurance company Limited and Bajaj Allianz is provided for as assets/ (liability) in the books. Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. Future salary increases and pension increases are based on expected future inflation rates for the respective countries. Further details about the assumptions used, including a sensitivity analysis, are given in Note no 31.3 The Company recognises the following changes in the net defined benefit obligation under Employee benefit expense in the statement of profit or loss:

- · Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements
- · Net interest expense or income

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

3 Other Long Term Employee Benefits:

Compensated Absences

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long term compensated absences are provided for based on actuarial valuation. The actuarial valuation is done as per projected unit credit method at the year-end.

AD Hydro Power Limited (CIN: U40101HP2003PLC026108) Notes to Financial Statements for the year ended March 31, 2024

Taxes

Current income tax

The Company's tax jurisdiction is in India. Significant judgments are involved in determining the provision for income taxes, including the amount expected to be paid or recovered in connection with uncertain tax positions. In arriving at taxable profit and tax bases of assets and liabilities, the Company recognised taxability of amounts in accordance with tax enactments, case law and opinions of tax counsel, as relevant. Where differences arise on tax assessment, these are booked in the period in which they are agreed or on final closure of assessment

Deferred Tax

Deferred tax is provided on temporary difference between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised, or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Contingent Liabilities

A Contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Earning per share

Basic carnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Fair Value measurement

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

As on the reporting date, the Company does not have any financial instrument which has been measured either through FVTPL or FVTOCI.

AD Hydro Power Limited (CIN: U40101HP2003PLC026108) Notes to Financial Statements for the year ended March 31, 2024

2.3 Critical accounting estimates and judgments:

The areas involving critical estimates and judgments are:

Service Concession Arrangements

Management has assessed applicability of Appendix D "Service Concession Arrangements" to Ind AS 115: Service Concession Arrangements to power distribution arrangements entered into by the Company. In assessing the applicability, management has exercised significant judgment in relation to the underlying ownership of the asset, terms of the power distribution arrangements entered with the grantor, ability to determine prices, fair value of construction service, assessment of right to granted cash, significant residual interest in the infrastructure, etc. Based on detailed evaluation, management has determined that this arrangement does not meet the criterion for recognition as service concession arrangements.

Claims and Litigations

The Company is the subject of lawsuits and claims arising in the ordinary course of business from time to time. The Company reviews any such legal proceedings and claims on an ongoing basis and follow appropriate accounting guidance when making accrual and disclosure decisions. The Company establishes accruals for those contingencies where the incurrence of a loss is probable and can be reasonably estimated, and it discloses the amount accrued and the amount of a reasonably possible loss in excess of the amount accrued, if such disclosure is necessary for the Company's financial statements to not be misleading. To estimate whether a loss contingency should be accrued by a charge to income, the Company evaluates, among other factors, the degree of probability of an unfavorable outcome and the ability to make a reasonable estimate of the amount of the loss. The Company does not record liabilities when the likelihood that the liability has been incurred is probable, but the amount cannot be reasonably estimated. Based upon present information, the Company determined that there were no matters that required an accrual as of March 31, 2024 other than the accruals already recognized, nor were there any asserted or unasserted claims for which material losses are reasonably possible.

AD Hydro Power Limited (CIN: U40101HP2003PLC026108)

28 Segment Reporting

The Company's activities involves generation and transmission of hydro power. Considering the nature of Company's business and operations, there are no separate reportable segments (business and/ or geographical) in accordance with the requirements of Indian Accounting Standard 108 'Segment Reporting'. The Chief Operational Decision Maker monitors the operating results as one single segment for the purpose of making decisions about resource allocation and performance assessment and hence, there are no additional disclosures to be provided other than those already provided in the financial statements.

29 Contingent Liabilities and Commitments (to the extent not provided for)

29.1 Contingent Liabilities*

(Rs. in crores)

Particulars	As at March 31, 2024	As at March 31, 2023
Claims against the Company not acknowledged as debt:		
Dentand under The Building & Other Construction Workers Welfare Cess Act, 1996 (BOCW) (Refer note (a) below)	3 7	14,60
Demand under Local Area Development Fund (LADF) from Directorate of Energy, Government of Himachal Pradesh (refer note (b) below)	14.27	14,27
Demand raised by Directorate of Fisheries, Himachal Pradesh (refer note (c) below)	0 65	0,65

^{*} The Company believes that these claims/demands are not probable to be decided against the Company and therefore, no provision for the above is required

Notes

(a) During the financial year 2012-2013, the Cess Assessing Officer vide order dated January 23, 2013 had raised a demand of ₹14.60 crores on the Company under the Building & Other Construction Workers Welfare Cess Act. 1996 ("BOCW Act") for the period from January 01, 2005 to July 31, 2012. The Company is of the view, based upon legal expert opinion, the obligation to pay Cess under BOCW Act arise only for the period commencing from December 08, 2008 to July 01, 2010 (i.e from the date when the rules were notified and up to the date when factory license was granted to the Company). In view of this, there is no question of payment of Cess prior to December 8, 2008 as demand has no justification or legal sanctity. The amount so determined based on the Company's view has been already paid and provided for in the books of accounts. The Company had filed a writ petition before the High Court of Himachal Pradesh for the above said demand. During the hearing held on February 28, 2013, an interim Stay has been granted against the demand. During the year, the Hon'ble High Court of Himachal Pradesh, Shimla vide order dated March 27, 2024 has quashed and set aside the impugned order dated January 23, 2013 with a direction to Assessing Authority to re-assess the leviable cess against the petitioner strictly in terms of the judgments passed by Hon'ble Apex Court in Ultar Pradesh Power Transmission Corporation Limited and another vs. CG Power and Industrial Solutions Limited and another (2021)6, SCC 15 and Lanco Anpara Power Limited vs. State of Ultar Pradesh and others (2016)10 SCC 329 expeditiously.

Pending any further directions by the Assessing Authority and based upon the legal expert opinion, management is of the view that no provision is deemed necessary in the financial statements in this regard.

- (b) During the year ended March 31, 2006, Directorate of Energy (DOE) of Himachal Pradesh had raised a demand of Rs. 14.27 crores on the Company towards Local Area Development Fund (LADF) which was determined considering 1.5% of the final cost of the project of the Company of Rs. 1,607 crores. The determination was based upon the guidelines issued on LADF activities by Government of Himachal Pradesh in December 11, 2006 and as amended in October 05, 2011. However, the management is of the view that the amount should be computed @ 1.5% of the total capital cost as reflected in Detailed Project Report of the Company i.e. Rs. 922 crores in terms of agreement dated November 05, 2005 entered with the Government of Himachal Pradesh. Further, the DOE had not considered the total amount incurred and deposited by the Company aggregating to Rs. 14.23 crores. Had these been considered/computed appropriately, the above demand would not arise. Management is of the view that the Company has complied with the conditions agreed in terms of the agreement dated November 05, 2005 with Government of Himachal Pradesh which is prior to the date of guidelines issued in 2006 and thus no additional provision is required. Currently this matter is being contested before High Court of Himachal Pradesh on which stay has been granted on the said demand. Management is of the view that no provision is deemed necessary in the financial statements in this regard.
- (c) During the year ended March 31, 2013, the Department of Fisheries directed the Company to pay an amount of Rs. 1.00 crore for granting of No Objection Certificate (NOC) for setting up Hydro Power Project in the state of Himachal Pradesh as per the requirements of HP State Pollution Control Board. The Company had filed a Writ Petition in the Hon'ble High Court of Himachal Pradesh against the said deniand and based on the directive of Hon'ble High Court of Himachal Pradesh has deposited Rs. 0.35 crores to Department of Fisheries.

 Management is of the view that the Company is not covered under the negative list under the policy norms issued in 2008 by the Fisheries Department for issuance of NOC in setting up the Power Project in the state of Himachal Pradesh and thus the above said demand is not tenable hence no provision is required. However, the Company had written off the deposit amount as there is no movement in this case for more than 5 years and has disclosed the balance of Rs. 0.65 crores as contingent liabilities.
- (d) The Company is subject to certain legal proceedings and claims, which have arisen in the ordinary course of business, for the lands and right to use lands acquired by it and recovery suits filed by various parties. These cases are pending with various courts. After considering the circumstances and legal advice received, the management believes that the chances to decide the case against the Company is remote and thus these cases will not have any material impact on the financial statements and no provision is required.
- (e) On December 24, 2021, the Company had received a demand of Rs. 58,33 crores from Central Transmission Utility of India Limited ("CTUIL") in relation to relinquishment charges for surrender of Long Term Access rights with Power Grid Corporation of India Limited, which in the opinion of the Company, is not in accordance with the methodology specified by the CERC vide Order dated March 08, 2019 in petition no. 92/MP/2015, During the year, the Company has received bill of Rs. 58,33 crores from CTUIL on 12 March 2024.

 Based on consideration of the information available till date, the Company had computed the relinquishment charges as per methodology specified by aforesaid order, along with interest, amounting to Rs.16.32 crores and has provided for in the books of account in the earlier years, Based on the management's assessment, no additional provision is required.

29.2 Commitments

- (a) The Company has other commitments for the purchase order issued after considering the requirement per operating cycle for purchase of goods and services in the normal course of business. The Company does not have any long term commitments of material non-cancellable contractual commitments / contracts including derivative contract for which there were any material foreseeable losses.
- (b) Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) are Rs. Nil (Previous year Rs. Nil).
- (c) The Company has entered into agreement with Himachal Pradesh State Electricity Board (HPSEB) for 40 years to wheel or transfer energy at agreed price with the commitment to provide 18% of the deliverable energy at free of cost to HPSEB.

29.3 Other matters

(i) Impairment of Property, Plant and Equipment's

As on March 31, 2024, the Company has net worth of Rs. 1,357.39 crores (Previous Year-Rs. 1,262.88 crores) and accumulated profits of Rs. 377.93 crores as at March 31, 2024 (Previous Year-accumulated profits amounting Rs. 203.42 crores). Based on financial projections (including the projected tariff) arrived at after considering the past experience of running similar power project and renewable source of fuel, management believes that profits will continue to accrue on account of expected increase in tariff and there are no impairment indicators and hence no adjustments are required to the carrying value of property, plant and equipment on account of impairment and the Company will have sufficient cash flow to meets its future obligations.

(ii) Dispute related to parties using the transmission line

During the earlier years, the Company had raised invoices to parties using the dedicated transmission system of the Company based on capital cost of Rs. 416.61 crores in terms of Interim Agreement with the parties. Subsequently, the capital cost was challenged by one of the parties and Central Electricity Regulatory Commission ('CERC') vide order dated 17 October 2019, approved the capital cost of Transmission System at Rs. 238.92 crores as against the capital cost submitted by the Company of Rs. 416.61 crores [on the date of commercial operation date ('COD')]/Rs.452.84 crores (with additional capitalization). In October 2019, the Company had challenged the CERC order before Appellate Tribunal for Electricity ('APTEL').

On 31 October 2022, the Company had received order from APTEL, wherein the transmission system of the Company was declared as deemed inter-state transmission system (ISTS system) with retrospective effect and remanded the case to CERC for calculation of transmission tariff based on Point of Connection ("POC") mechanism. Further, on 13 April 2023, the Company has received order from CERC, wherein the transmission charges of the ISTS system are to be paid through POC pool. Further, on 31 August 2023, APTEL has set aside the CERC order dated 17 October 2019.

On February 05, 2024, CERC has allowed capital cost of Rs. 362.28 crores (80% of the capital cost claimed as on March 31, 2024) for the period 01 January 2024 to 31 March 2024 as an interim measure which is subject to adjustment as per Regulation 10(7) of the 2019 Tariff Regulations and prudence check of the capital cost claimed by the Company.

During the year, the Company has received income from POC pool and accordingly recognized revenue from transmission line from 13 April 2023 to 31 Dec 2023 based on the capital cost approved by CERC vide order dated 17 October 2019 and from 01 January 2024 to 31 March 2024 based on CERC order dated February 05, 2024, Revenue for the period 09 August 2011 to 12 April 2023 has not been recognized on account of uncertainty related to the capital cost,

Based on the management's assessment, the matter related to the capital cost is sub-judice and pending adjudication, hence in absence of certainty on the outcome of the matter, the Company will recognize revenue from transmission line for the period 09 August 2011 to 12 April 2023 as and when determined by CERC.

(iii) Sub debt received from Malana Power Company Limited (MPCL)

In 2009, the Company had received sub debt from MPCL amounting to Rs, 463,80 crores at market interest rate and this sub debt was classified as Loans on transition to Ind AS based on intention of the parties at that point of time. During the earlier years, the Company and MPCL had mutually agreed to modify the terms of repayment of sub debt of Rs. 317,80 crores out of total sub debt of Rs, 463,80 crores and accumulated interest of Rs, 233,96 crores on total debt as follows:

No interest on sub-debt of Rs. 317.80 crores to be charged by MPCL from April 01, 2020. At the discretion of the Company, the Company can repay Rs. 317.80 crores and Rs. 233.96 crores out of distributable profits of the Company and it can be paid only after making dividend payments to the equity shareholders of the Company or as per the agreement signed between the Company, MPCL and IFC. Based on the above modification, the Company had derecognized the loan liability and accumulated interest payable and transferred the balance to Deemed Equity Contribution and had disclosed the same as 'Deemed Equity Contribution' under the head 'Other Equity' as on March 31, 2021 and the balance sub-debt of Rs. 146.00 crores carried interest at the rate of 9% per annum, which had been repaid during the earlier years.

During the year, the Company has suo moto repaid Rs. 80 crores which has been netted of from 'Deemed Equity Contribution'.

31 Employee Benefit Plan

31.1 Defined contribution plan

i) Superannuation Fund

The Company makes Superannuation Fund contributions to defined contribution retirement benefit plans for eligible employees. Under the schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The contributions as specified under the law are paid to the superannuation fund set up as a trust by the Company. The Company does not carry any further obligations, apart from the contributions made on a monthly basis. The Company recognized Rs. 0.12 crores (previous year Rs. 0.09 crores) in the statement of profit and loss account. (Refer note 22).

ii) Provident Fund

The Company's contribution to Provident Fund for the year ended March 31, 2024 Rs. 0.89 (for the year ended March 31, 2023 Rs. 0.78) has been recognised in the Statement of Profit and Loss under the head employee benefits expense. (Refer note 22).

31.2 Details of defined benefit plan and long term employee benefit plan

i) Gratuity Fund

The Company has a defined benefit gratuity plan. The gratuity plan is primarily governed by the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of five years are eligible for gratuity. The level of benefits provided depends on the member's length of service and salary at the retirement date. The gratuity plan is funded plan. The fund has the form of a trust and is governed by Trustees appointed by the Company. The Trustees are responsible for the administration of the plan assets and for the definition of the investment strategy in accordance with the regulations. The funds are deployed in recognised insurer managed funds in India. The Company does not fully fund the liability and maintains a target level of funding to be maintained over a period of time based on estimates of expected gratuity payments.

ii) Long term employee benefits plan

Compensated absence represents earned leaves. Long term compensated absence has been provided on accrual basis based on actuarial valuation

31.3 Disclosure required for Gratuity and Compensated absence in accordance with Ind AS-19 "Employee Benefits" are set out in the table below:

i) Discounting Rate	7.23	7,38	7,23	7.38
ii) Future salary Increase	5,50	5,50	5,50	5,50
i) Retirement Age (Years)	60	60	60	60
ii) Mortality rates inclusive of provision for disability	100 % of IALM (2012-14)		100 % of	1ALM (2012-14)
iii) Ages			Withdrawal Rate (%)	
18 to 30 Years	3,00	3.00	3,00	3_00
30 to 45 years	2.00	2.00	2,00	2.00
Above 45 years	1.00	1.00	1.00	1.00

Note:

- (a) The discount rate is based on the prevailing market yields of Government of India Securities as at Balance Sheet date for the estimated term of the obligations.
- (b) The estimate of future salary increased considered, takes into account the inflation, seniority, promotion, increment and other relevant factors such as supply & demand in the employement market.

viii) Sensitivity Analysis of the defined benefit obligation

Sensitivity of gross defined benefit obligation as mentioned above, in case of change of significant assumptions would be as under:

(Rs. in crores)

Particular	Grati	iity
	For period ending March 31,2024	For period ending March 31,2023
a) Impact of the change in discount rate		
Present Value of Obligation at the end of the period	4.47	3.62
Impact due to increase of 0.50%	(0.21)	(0.18)
Impact due to decrease of 0.50%	0.22	0.19
b) Impact of the change in salary increase		
Present Value of Obligation at the end of the period	4.47	3.62
Impact due to increase of 0.50%	0.23	0.19
Impact due to decrease of 0.50%	(0.21)	(0.18)

Note:

- (a) Sensitivities due to mortality & withdrawals are not material & hence impact of change not calculated
- (b) Sensitivities as to rate of inflation, rate of increase of pensions in payment, rate of increase of pensions before retirement & life expectancy are not applicable being a lump sum benefit on retirement.

ix) Maturity Profile of defined benefit obligation

(Rs. in crores)

Expected cash flow for next 10 years	Gratuity
0 to 1 Year	0,13
I to 2 Year	0.29
2 to 3 Year	0,11
3 to 4 Year	0,12
4 to 5 Year	0.46
5 to 6 Year	0,13
6 Year onwards	3.22

32 Financial Risk Management Objective And Policies

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

(a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits. The Company is exposed to interest rate risk on variable rate long term borrowings.

The sensitivity analyses in the following sections relate to the position of financial assets and financial liabilities as at March 31, 2024 and March 31, 2023

I Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is not exposed to any foreign currency risk as there is no material transaction in foreign currency.

II Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

III Interest Risk Exposure

There is no interest risk exposure on the Company as at end of reporting year since the borrowings is Rs., Nil as at March 31, 2024 and March 31, 2023.

(b) Sensitivity

Profit/loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates. However, the same is not applicable on the Company as at March 31, 2024 and March 31, 2023.

(c) Price risk

The company is not exposed to any price risk as there is no investment in equities outside the Company and the company doesn't deal in commodities.

(d) Credit risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and other financial instruments.

To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial conditions, current economic trends, and analysis of historical bad debts and ageing of accounts receivable.

The Company considers the probability of default upon initial recognition of assets and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period

Financial assets are written off when there is no reasonable expectation of recovery

(i) Financial assets to which loss allowance is measured using lifetime /12 months Expected Credit Loss (ECL) as on March 31, 2024.

(Rs. in crores)

Financial assets to which loss allowance is measured using lifetime/ 12 months Expected credit loss(ECL)		As at March 31, 2	024	As at March 31, 2023		
	Gross Carrying Amount	Expected credit loss/write off	Carrying amount net of impairment provision	Gross Carrying Amount	Expected credit loss/write off	Carrying amount net of impairment provision
Loans to employees	0,32		0,32	0.38		0.38
Security Deposits	0.12	3	0.12	0.12	3/(0,12
Trade Receivables	51.07	3.17	47.90	39.78	3.17	36.61
Cash and Cash Equivalents	173.65	-	173.65	3.81	.52	3.81
Bank Balances	100.19	:=	100.19	92.29	920	92,29
Others	0.75	3	0.75	0.21	30	0.21

The Company is in the power generation sector. The Company on the basis of its past experience and industry practice is confident on realizing all of its dues from its customers. Hence, the Company has not provided for any discounting on time value of money.

(ii) Movement in expected credit loss allowance on financial assets

The following table summarizes the change in the loss allowances measured using life-time expected credit loss model:

(Rs. in crores)

Particulars	As at March 31, 2024	As at March 31, 2023
Balance at the beginning of the year	3,17	3.17
Add: Provision for expected credit loss recognized during the year		(e:)
Less : Provision reversed during the year	*	K a E
Balance at the end of the year	3.17	3.17

(e) Liquidity risk

Liquidity risk is defined as the risk that Company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risk are overseen by senior management monitors the Company's net liquidity position through rolling, forecast on the basis of expected cash flows.

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments:

(F	E 5.	in	cro	res

As at March 31, 2024	Less than 12 months	12 months to 3 years	More than 3 years	Total
Trade payables	6.10	16.64	0.62	23,36
Deposit from contracts and others	0.04		¥	0.04

				(Rs. in crores)
As at March 31, 2023	Less than 12 months	12 months to 3 years	More than 3 years	Total
Trade payables	21,12	0.71	0,52	22.35
Deposit from contracts and others	0.09	*	*	0.09

(f) Capital management

(a) Risk management

The Company's objective when managing capital are to:

- (i) safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- (ii) maintain an optimal capital structure to reduce the cost of capital

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt

Consistent with others in the industry, the Company monitors capital on the basis of the following gearing ratio:

Net Debt (total borrowings net of cash and cash equivalents)

Divided by

Total equity (as shown in balance sheet)

The gearing ratios were as follows:

(Rs. in crores)

Particulars	As at March 31, 2024	As at March 31, 2023
Net Debt		(4)
Total Equity	1,357.40	1,262.88
Net Debt 10 Equity Ratio	j. Se	(47)

(iii) Financial instruments- accounting classification and fair value measurement
